

TITLE OF CONTRIBUTION (IN CAPITAL LETTERS)

FIRST AUTHOR¹ AND SECOND AUTHOR² (IN CAPITAL LETTERS)

¹ *Affiliation 1, Country*

² *Affiliation 2, Country*

E-mail: corresponding.author@institute.edu

Write your abstract here (*please do not exceed one page*). Use concise paragraphs describing the context, purpose, methods/approach, key findings (or expected outcomes), and relevance for physics teaching in engineering education. If you want to include the link, please use the style "[link](#)". For references, use the PTEE 2026 exemplary styles presented below [1–2].

If your contribution includes an activity component (e.g., workshop), you may optionally include a short list:

- Example bullet item 1 (delete or replace).
- Example bullet item 2 (delete or replace).
- Example bullet item 3 (delete or replace).

Please send your contribution to the conference email address: PTEE2026@fizyka.pw.edu.pl

[1] Author(s) (Year). Title. Proceedings/Journal vol, pages.
[DOI/URL](#)

[2] Author(s) (Year). Title. Publisher.

PS. If you plan to organize workshop or other activities please add information about resources required on the second page of this document.
